Admissions. Anthropology is divided into four subfields: I) archaeology, II) cultural/social anthropology, III) anthropological linguistics, and IV) physical anthropology. In addition to providing the basis for careers in the sub disciplines, anthropology provides a background for professional careers in teaching, research, international affairs, medicine, business, or law. A grade of C- or better must be earned in all courses taken in fulfillment of the requirements for the Anthropology major. Majors must achieve a minimum 2.00 G.P.A. in Anthropology and are urged to consult their departmental advisor periodically to review their progress. To learn more about admissions, visit the <u>Dedman College</u> website. (http://www.smu.edu/Admission/Apply.aspx)
