

Anthropology Department

Cultural Anthropology

Minor

The 15-hour Cultural Anthropology minor provides students with essential cultural competency and critical thinking skill-sets needed in today's global community. The minor pairs well with art, business, economics, education, engineering, biomedical, science, and other majors. At least 9 credit hours must be taken at or above the 3000-level.

Required:

ANTH 2301 – Intro Cultural Anthropology

Regional Electives: (6 credit hours)

ANTH 3314 – Peoples of Africa
