

Save the Date!

SMU is hosting its 6th Annual [ASA DataFest](#) from April 12-14, 2024.

Teams of undergraduate students from *any* Texas university with *any* level of statistical training are welcome to participate.

- This event will be held on SMU's campus.
- Teams should be composed of 2-5 students. Sign up [here](#) as a team, or [here](#) as a free agent (we will put you on a team) OR use the QR codes below!
- We will provide t-shirts and food (free of cost!) throughout the event
- We are also welcoming volunteers to be judges, mentors, and break-out presenters. These can be faculty members at other institutions, practicing statisticians, or anyone with significant analytical experience. Sign up is [here](#).
- E-mail Charles South, csouth@smu.edu, with any questions.
