*Office of Financial Aid
2016 Non-Filer Tax Statement*

I, _____, hereby certify I did not file a 2016 Tax Return but did earn wages for the 2016 tax year. Additionally, per the 2016 IRS tax filing guidelines I was not required to file a 2016 tax return on the wages I earned. I have or will submit all available 2016 W-2 statements I have received. If I am unable to provide my 2016 W-2 statements I will provide a statement of explanation to the Office of Financial Aid and a listing of the sources and amounts of 2016 income earned from work.

I also understand that I am required to request an official IRS Verification of Nonfiling Letter which I will promptly submit to the Office of Financial Aid.
