OCTOBER 2015

ADMISSION – BURSAR – FINANCIAL AID-REGISTRAR

IRMA'S UPDATE

The Centennial Celebration met all expectations as each event was clearly very well planned and wonderfully executed. Many of us participated in several of the activities as evidenced below. It was a very full weekend and for those of you who did not witness the fireworks show you missed a spectacular event! A special THANK YOU to our Executive Directors for allowing staff to enjoy the celebration, a double thank you to those staff members who "held down the fort" to keep DES activities on track.
