Dear International Student/Scholar:

On behalf of the International Student & Scholar Services team (ISSS), I would like to welcome you to Southern Methodist University. You have chosen to attend one of America’s premier comprehensive universities, and we are pleased that you are part of the SMU family. The SMU campus and community provide a variety of resources to ensure that your time here as a student or scholar is productive on both a personal and academic level. The International Student & Scholar Services team is committed to facilitating and enriching your experience before you arrive on campus and while you are here in the U.S. All members of the ISSS team work diligently to provide the best and most useful resources prior to your arrival through a comprehensive pre-arrival information packet that will assist the visa application process. Once you arrive on campus, we welcome you with various immigration orientations in order to inform you of the various visa compliance regulations that you must follow as an international student or scholar in order to maintain your visa status. Our team is responsible for reporting to the federal Government all compliance events relating to our international population through SEVIS (Student and Exchange Visitor Information System). For this reason it is important that you check your SMU e-mail regularly, since regulations sometimes change. Once you arrive, it is our desire that you take every opportunity to participate in our programming events. Our office coordinates several events throughout the year in order to celebrate the different cultures and contributions from our international population. Our staff consists of a group of professionals who are prepared to respond to your unique needs through our excellent immigration advising system. Our staff is also prepared to help you navigate through all the resources that SMU has to offer that will help you achieve your academic goals. Once again, welcome to SMU. We are happy that you are with us. Please contact any member of the ISSS team if you have any questions or concerns. If we do not know the answers to your questions, we will try to find someone who does.

Best Regards,

Claudia Sotomayor Hart

<td>During weekends, I play soccer with a group of friends or mostly play video games. I also occasionally hang out at Deep Elum at night.</td>

#### What helped you make friends at SMU?

<tbody>
<tr>
<td>People are generally nice at SMU. They respond to conversation positively, so all I had to do was just walk up to the person I wanted to talk to and start a conversation. I found that sports and food are two easy icebreakers.</td>
<td>At SMU, what helped me make friends was to join organizations such as the International Leadership Program and the African Student Association, where I got to meet some wonderful people. Going to the Fondren Library and forming study groups has also helped me meet people from different backgrounds.</td>

#### What’s your favorite restaurant in the area?

<tbody>
<tr>
<td>My favorite restaurant in Dallas is an authentic South Indian restaurant called Madurai Thattu Kadai and traditional south Indian foods involving biryani, fish curries, dosas, and idlis are really good here.</td>
<td>My favorite restaurant I’d recommend is Velvet Taco, which is not far from campus and they serve Mexican food. They literally have the best tacos in town.</td>

#### What helped if you felt homesick?

<table>
<thead>
<tr>
<th>Guatham T.</th>
<th>Ousmane T.</th>
</tr>

<tbody>
<tr>
<td>I felt homesick a lot when I initially came here. Going to Indian restaurants helped through that initially. But I learnt to cook well the major food dishes back home and everytime I feel homesick cooking food that reminds me of home, helped me get through it. And always be in contact with your parents/friends back home. Regular Facetime calls to them kept me in a good mood throughout my stay here in Dallas.</td>
<td>I video call my friends and parents or try to go meet some other Senegalese people. A piece of advice is don’t stay in your corner, get out of your comfort zone, and meet new people. Also, take advantage of the lots of resources and opportunities at SMU.</td>

“We don’t tailgate, we boulevard” is one of the most common phrases that comes up when talking about SMU tradition. A day or two before each football game, beautiful white tents are put up all along the Boulevard and the lawn in front of Dallas Hall. Then, three hours before the game, SMU students, faculty, alumni and friends come out to enjoy food and games on the Boulevard.

Homecoming is always a big tradition at SMU. There is banner making, window painting, Peruna painting and float building. Then there is also the much-anticipated Homecoming court in which each organization nominates a candidate for homecoming queen and king. The week builds up to the Homecoming parade to showcase the floats students have worked on.

The Celebration of Lights! Every year in December thousands of lights are displayed on Dallas Hall and its surrounding area. SMU students come out to sing, listen to groups perform and hear President Turner read The Christmas Story. The finale of the night is always the lighting of the Christmas tree, Dallas Hall and the surrounding trees with more than 100,000 twinkling lights that helps everyone feel the holiday spirit.

At the beginning of each school year there are many events to enjoy and make new friends. Usually there is also a chance to get free food too! The New Student Welcome Party hosted by ISSS has always been a good one!

Concerned about how you are going to get around when you come to Dallas? Don't worry—there are a lot of options!

### On-Campus

#### Walk
Most students walk to class. Just make sure you leave with enough time to make it to class! Google Maps works great in the area and on campus.

#### Bikes
When going to a university, lots of students may bring a bicycle for transportation around campus. SMU provides various areas to keep your bikes, just bring your lock.

Look into purchasing a bike at popular stores such as Walmart, Target, Dick's Sporting Goods, or Academy Outdoors!

#### Tapride
If you find yourself feeling uncomfortable walking alone after a long night in the library, call a safe ride using the app Tapride. An SMU security officer will pick you up in a golf cart and take you wherever you need on campus.

*Pro Tip:* It's a good idea to consider how far away your classes are from each other when selecting them, especially since most classes are 10 minutes apart

### Off-Campus

#### Ride Share Services
The most popular option for transportation around Dallas are ride sharing services such as Uber and Lyft. Just download the apps and input your destination! Always make sure the license plate matches.

#### DART
The *Dallas Area Rapid Transit* service is a railway that travels around the Dallas area including to the airport and NorthPark Mall. Conveniently, across the street from SMU campus is a DART station! SMU students are eligible for a free SMU DART transit pass by enrolling through the Parking and ID Card Services Office with a valid U.S. phone number. DART is typically much cheaper than ride sharing options.

*Pro Tip:* While the DART is typically safe, it would be smart to travel with a friend and avoid riding the DART late at night.

#### SMU Express
The SMU Express is a DART operated bus that goes on campus and makes stops at nearby apartments, shopping centers and restaurants.

For more information visit the [SMU Parking and ID Services Office website](#).

### Transportation from the airport upon arrival in the U.S.
Most students use ride-sharing options such as Uber or Lyft for their commute from the airport to campus, but others may use DART as it is a more affordable option.
**STATE ID AND DRIVERS LICENSE**

Want to get your state ID or drivers license?

**Texas State ID Applications:**

For the I.D. Card, you will need to complete an application form; show your passport, visa stamp, I-94 card, and immigration status documents; and pay an application fee. You must have been a resident of Texas for at least 30 days in order to apply for a Texas ID Card or Driver's License. You will have to prove your Texas residency by showing 2 original documents from the DPS's list of approved materials.

**Texas Drivers License Applications:**

For the driver's license, you will need all the required materials for the State ID and in addition, you will need:

1. **Impact Texas Driver (ITD) course**

2. A six-hour adult **Driver Education** course, if you are 18 through 24 years of age. If you are above the age of 24 and do not take this course, you will be asked to take a 30-question test at your DPS appointment. We recommend that you study signage and driving laws prior to your appointment.

**Need some more assistance?**

The ISSS office is happy to review your documents prior to visiting the DPS. In addition, the ISSS office hosts trips to the DPS. Keep an eye out for these opportunities in your SMU email.

STUDENT TIPS FOR CLASS REGISTRATION

1. Review All Your Options
   University course catalog, major track, ratemyprofessor.com
   If you have decided your major, browse through the university course catalog and major track to learn about your required courses. If not, you still have plenty of time to discover your interests and passions by taking advantage of all the diverse classes that SMU has to offer. I personally like to check out the course overview on the university course catalog and instructors reviews on the ratemyprofessor website.

2. Make Your Own Schedule
   “Wunderlist”, “Class Timetable”, "Coursicle"
   As an undergraduate I usually enroll in 4 to 6 classes and try to evenly spread them out over the week. Remember that as international students we are required to enroll full-time every fall and spring semester. If possible, try to have a day off from a school to dedicate for your work, internship, exam prep and more. You can utilize apps like Wunderlist and Class Timetable that will help you visualize your college schedule.

3. Talk To Your Academic Advisor
   This will vary depending on your academic level and department
   New undergraduate students will be able to schedule an appointment with an academic advisor from the University Advising Center (UAC) for assistance with class selection and registration. New graduate students have a different process based on the academic department. Something I found helpful when deciding between classes was to contact the instructor of the class to ask if you can be added or just simply for class information. You can always find instructors contact information on the SMU faculty website.

4. Be Strategic Selecting Classes
   Excel templates for college courses
   Create an excel file to keep track of a list of courses you need to take at SMU per semester at a glance. While still making sure to keep a balanced life, I worked on getting the core classes out of the way as soon as possible. Note: undergraduates there are classes that meet 2-4 core requirements - keep an eye out for these, they are a timesaver!

5. Complete all Requirements Needed to Complete Class Registration
   Set a reminder for the time/date you can register for classes
   Make sure to put classes in the cart to make the registration process smooth and fast. Remember that before you can register, you will need to complete the Immigration Compliance Course on SMU Canvas. Then upon arrival at SMU, attend the Mandatory Government Document Check-in to remain in good visa status. Register in advance for the document-check-in on the ISSS website.
International students may get an on-campus job.

Note: F-1 and J-1 visa holders are not eligible for federal work study positions.

Students who obtain employment are REQUIRED to visit the ISSS Office and get permission BEFORE you begin your on-campus job.

SMU’s Hegi Career Development Center offers career fairs and other career resources including resume building, cover letter writing, job research tips, interview tips, career counseling, and even professional headshots!

Pro Tip: Meet with a Hegi Career Center advisor to create a U.S. style resume and form a strong career plan!
A Social Security Number (SSN) is a U.S. government-issued identification number that is required for all individuals who are employed in the United States. International students and scholars must have a job offer in order to apply for a Social Security number. Please be advised that any type of employment must be approved by the International Office before a foreign passport holder on a student visa may begin working.

Did you know? The ISSS plans trips to the Social Security Administration (SSA) every semester to assist students in their application. Keep an eye out for emails from ISSS with more information.

**Social Security Numbers (SSN)**

An ITIN, or Individual Taxpayer Identification Number, is a tax processing number only available for certain nonresident and resident aliens, their spouses, and dependents who cannot get a Social Security Number (SSN). It is a 9-digit number, beginning with the number "9", formatted like an SSN (NNN-NN-NNNN).

**Individual Taxpayer Identification Number (ITIN)**

An ITIN, or Individual Taxpayer Identification Number, is a tax processing number only available for certain nonresident and resident aliens, their spouses, and dependents who cannot get a Social Security Number (SSN). It is a 9-digit number, beginning with the number "9", formatted like an SSN (NNN-NN-NNNN).

**Tax Filing**

Yes! Every international student and their dependents (including spouses and children of all ages) are required to file their tax return if they were in the US during the previous calendar year. Note: SSN or ITIN is required to file!

Please look out for an email from ISSS in late February/early March for information on how to file for taxes by using Sprintax Software. If you are leaving the U.S. prior to the tax filing deadline, you are still required to file tax forms. You might file for your tax forms electronically.

In Dallas

Being vegetarian can feel daunting in situations when it seems hard to find options to fill one’s appetite. However, the proximity of SMU to downtown Dallas provides students with a greater variety of choices. Every corner gives rise to a new discovery of small restaurants with unique styles and food. Right across the North East dorms there is the Sinder Plaza which is a common place for students to hangout while studying or to visit restaurants or ice cream shops.

If one wants to go further off campus, there is an abundance of opportunities to explore new and wonderful flavors on the weekends by planning an adventure with your friends to downtown Dallas using the DART (Dallas Transit) which is free for all SMU students.

At SMU: Dining Halls

Umphrey Lee

The brownies at the Vegan Dessert Section at Umph are delicacies and if you are an SMU student the Umph cookies have a fame of their own. If you consume dairy products and have a sweet tooth, the Umph Dessert Section is a blessing.

Another captivating feature is the make-your-own sandwich and salad area at Umph, it provides you with the flexibility to choose your own ingredients to make your own veggie salad or sandwich.

Arnold

Arnold, has their own make-your-taco section which again, could be made vegetarian with only a red bean paste filling.

Arnold also has a Mongolian grill station where students can make their own grill with rice or noodles hence, vegetarians have the ability to personalize their food.

Other Options on Campus

Something notable about Mac’s place is that it offers Beyond Meat style burgers for us vegetarian lovers. Another favorite are the salads here! Though they are made available in the menu with meat it could be replaced while you are placing your order.

A vegetarian or vegan is in for a treat at the Food Market! There is a whole section dedicated to vegan versions of food. It ranges from vegan ice creams to vegan oven cooked food and biscuits. It is my haven.

We also have restaurants on campus which are Chick-fil-a, Lawyer’s Inn and Cinco Taco. While at Chick-fil-a there are not many vegetarian options, it is a go-to for french fries. The potato tots at Lawyer’s Inn are my vegetarian choice and the vegetarian tacos are amazing at the Cinco Taco.

Tips from Upperclassmen

Tread with Caution! It might be hard to differentiate between the meat option and vegetarian options sometimes, so when in doubt check with the staff and double check yourself!

Double Check! Check before consuming boiled or cooked vegetables since sometimes in the cooking process butter is added.

Take Advantage! If you’re at the SMU dining halls, there are a variety of fruit options available to take and it is a healthy snack between meals and classes to keep around. So grab a fruit on your way out!
