RE: Resolutions of the Faculty Senate

Enclosed are two responses to resolutions of the Faculty Senate regarding the Executive Order on Immigration and increased funding for University libraries. Although I did not respond officially to the resolution honoring the leadership of Pamela Anthony, I truly appreciate the Senate's respect and recognition of her service on campus. Should you wish to forward this to her parents, Mary Jane Johnson can provide their address.

For the other two resolutions, I have tried to respond to both with an update on our actions regarding the Executive Order on Immigration and on plans regarding the study the Provost will undertake to review the structure and operation of all of the University libraries. Hopefully, the Faculty Senate will find both responses to be informative.
