RE: September 26, 2017 Senate Resolution

Thank you for the opportunity to clarify my response to this resolution in my memorandum of October 6. By description, I intended the first sentence to be a reference to the September 26 resolution. However, since it does not explicitly refer to it, I want to clarify that such a reference was my intention.

I am pleased to see that the Senate members of the Task Force, chaired by Doug Reinelt, were named. As I stated in my meeting with the Senate, a review of this process would be proper after the second year to determine if it provides the information to meet the basic standards of a thorough, objective, analysis.

C: Steve Currall
