2020 Fall Recruitment Events:

This season is unlike any other in law school recruitment. SMU will be participating in a wide variety of events from virtual fairs/expos to LSAC Forums to Webinars, and more! Below is a listing of SMU's events for the season – please join us for any events that appeal to you!

Because we are in a brave new world of recruiting this year, we are providing some definitions below of the form our events will take in a fully-online world.

Definitions:

1. **The Law Admissions Century Club (LACC)** – SMU, San Diego, Arizona, Tennessee, Ole Miss, and South Texas (we have almost 100 years of admissions experience among us). LACC sessions will primarily be webinars with a focus on mock admissions, with individual school breakout sessions following each webinar. LACC events are state-focused, but allow anyone to attend when they are able.
2. **The National Law Admissions Consortium (NLAC)** – SMU, American, Wisconsin, Ohio State, Fordham, Miami, and UC-Hastings (SMU is proud to be a member of this group of schools from across the nation). NLAC sessions take many forms, including: Admissions 101 (our primary focus), Spotlight Sessions (experiential learning, for example), and mock admissions.
3. **SWAPLA** – the southwest association of pre-law advisors. SMU is a proud member of this "APLA" region, and Dean Nikirk sits on the board of SWAPLA.
4. **Virtual Fairs/Expos** – these events allow attendees to drop in and out to ask questions via chat.
5. **LSAC Virtual Forums** – these events replace LSAC's popular in-person forums and allow attendees to drop in and ask questions via chat, phone, or zoom.
6. **Mock Admissions Sessions** – during these sessions, we will discuss actual applications and allow participants to help decide whether each hypothetical student is admitted, waitlisted, or denied.
7. **Admissions 101** – these sessions are designed to provide a general overview of the entire admissions process.

Events:

DATE	EVENT	DETAILS (CT)	LINK
9.29	LACC Mock Admissions Panel	5-630pm	https://smu.zoom.us/webinar/register/WN_R6RxhCQETL6FSPCrTLO9SQ
