

## Here are some Formative Assessment ideas:

- Practice exam or mid-term (with multiple choice answers or grading key or annotated weak & strong answers)
- TWEN quizzes (can set them up to provide explanations, or grade individually)
- “Entrance” and “Exit” tickets
- “Clicker” questions (or other in-class problems/answers)
- Comments on paper drafts
- Mid-course projects with feedback
- Rubrics for assignments (handed out in advance even better)
- Peer feedback (e.g. group exercises)
- Closing questions/“Minute Papers”
- CALI Exercises
- Games
