

MASTER'S PROGRAMS

The Bobby B. Lyle School of Engineering offers both Master of Science and a Master of Arts degree programs. Admission to our Graduate Division is a prerequisite to post baccalaureate registration for any graduate course or to any program of graduate study. Students wishing to study for a master's degree may be admitted on either a regular or a conditional basis.

MASTER'S PROGRAMS OFFERED

M.S., Civil Engineering (Structural)	M.S., Security Engineering	M.S., Systems Engineering
M.S., Civil Engineering (Transportation Systems)	M.S., Software Engineering	M.S., Mechanical Engineering
M.S., Civil Engineering (Geotechnical)	M.S., Electrical Engineering	M.S., Manufacturing Systems Management
M.A., Sustainability and Development	M.S., Telecommunications and Network Engineering	M.S., Datacenter Systems Engineering
M.S., Environmental Engineering	M.S., Engineering Management	M.A., Design and Innovation
M.S., Computer Engineering	M.S., Operations Research	M.S., Engineering + MBA
M.S., Computer Science		M.S., Engineering Entrepreneurship

DELIVERY FORMATS OFFERED

The Lyle School of Engineering offers a variety of delivery formats for earning your master's degree. Our extended classroom environment reaches beyond the traditional lecture on campus to incorporate learning via Web conferencing, streaming video, on-site instruction, or weekend format.

APPLICATION PROCESS

Complete the graduate application located at <https://gradadmission.smu.edu/apply/>.

Pay the application fee of \$75 (cannot be waived).

Request official transcripts from any and all colleges and universities attended or from which you have received a grade.

Submit GRE test scores if you are applying to one of the following programs: Civil Engineering, Environmental Engineering, Computer Science, Computer Engineering, Electrical Engineering, Mechanical Engineering, Security Engineering (if you do not have a minimum of two years industry experience), or Software Engineering (if you do not have a minimum of two years' experience in software development and/or maintenance).

The GRE or the GMAT is required for admission into the Engineering Entrepreneurship program, as well as the dual degree program, M.S. Engineering + MBA.

Submit optional letters of recommendation to gradappmaterials@smu.edu.

Additional Requirements for International Applicants

TOEFL/IELTS results required unless English is your native language or you have completed a degree from an American university.

Certificate of Finance is required for all international applicants if admitted. Not required at the time of application.

Photocopy of the first page of your passport is required if admitted. Not required at the time of application.
