**Research Seminar
COVID-19 Primer**

Dr. Robert Hendler
Chief Medical Officer at Texas Hospital Association

**Wednesday, March 11, 2020
10:00 – 11:00 a.m.
Room 110 Junkins, Cash Seminar Room**

Abstract:

Please join us for a seminar by and conversation with Dr. Hendler about COVID-19, its control and implications on business.

Biography: Robert Hendler, M.D., is the Chief Medical Officer at Texas Hospital Association. Previously he served in the roles of Senior Vice President, Associate Chief Medical Officer, and Chief Quality and Safety Officer at Parkland Health and Hospital System; as well as Vice President and Regional Chief Medical Officer at Tenet Healthcare. He obtained his M.D. degree in Internal Medicine and Gastroenterology from UTSW in 1979. Dr. Hendler is an active member of the Industry Advisory Board of the EMIS Department.
