CO-OP SCHOOL & WORK ROTATIONS

NOTE: During your 3rd and 4th Year (junior year), you must alternate Co-op for the fall and spring terms. Junior level classes will only be offered once during the fall and once during the spring.

Also, you must take classes your entire 5th year to accommodate Senior Design.

If you do not follow these guidelines, you could get off course rotation and fall behind in your course schedule.

CO-OP DEGREE PLAN

Creating your degree plan is the most important step in applying for Co-op. Accurately predicting your graduating semester and carefully planning all of your required courses in advance will take the guesswork out of registration each semester.

- Enter subject and four-digit course number, use X if unknown (i.e. ME 33XX or MATH X3XX)
- Enter the letter grades for the corresponding course for previous semesters
- Enter "CO-OP" in the semesters you plan to Co-op
- Review the Co-op degree with your Academic Adviser
