

**APPLICATION FOR THE
CAROLINE M. JONES MEMORIAL SCHOLARSHIP**

The Caroline M. Jones Memorial Scholarship was established as an endowed scholarship honoring Miss Caroline M. Jones, a staff member who served SMU for 33 years. Miss Carrie Jones, as she was affectionately called, served under three deans. Her last position was as Assistant to the Dean of Instruction where she had helped over 10,000 students file their degree plans. One of these students was Willis M. Tate, who became President of SMU. This scholarship is an endowment built from memorials given in her name by many alumni, staff and faculty.
