

### **Ministry With the Homeless – A Cross Cultural Immersion**

Dr. Hugo Magallanes with Mission Waco: <https://missionwaco.org>

The course/trip prepares students to understand and engage in holistic urban ministry among the poor and marginalized; to help students learn to build networks among social service, civic, neighborhood, and various church groups; to sensitize students in asset based Christian community development and social justice; to deepen the student's theological base for urban ministry; and to introduce students to "best practices" of urban ministry from around the nation.

The course will be held in Waco January 3 to 8, 2023. Students are expected to provide their own transportation. Hotel accommodations, meals, and course materials are provided. Travel Cost: \$700.00/person. Students must also pay their own tuition and fees. Travel Stipends are available based on need as determined from the student's FAFSA. Students must file a FAFSA to apply for a travel stipend. Travel costs are not covered by scholarships and financial aid.
