HARRISON SCHOLARSHIP

We understand your and your family's financial situation may be a source of stress right now. SMU offers a scholarship to students with disabilities, which is usually awarded in Oct/Nov. of the Fall semester. We have made efforts to speed up the time table and consider applicants right away, with the hope of decisions made by the end of June!

Please read the details below:

- \$ You must be able to demonstrate financial need.*
- \$ You must have already completed a FAFSA.*
- \$ There must be room left in your Fall "package" for an award, or you could consider decreasing some loan amount if you qualify for some funds from the Harrison scholarship.*
- \$ Undergraduates and graduate students can be considered for this award, but you must be a student at SMU in Fall 2020.*

If you would like to be considered for some small award from this scholarship (multiple students may be awarded), please submit the following:

Write a one-page essay about why you are deserving of this scholarship, describing any financial need, as well as how your disability impacts you in a way that leads you to need this scholarship.

Submit by **June 12th, 2020** to dass@smu.edu

Hat's off to SMU 2020 Graduates!

As you wind down your business at SMU, please remember if you need/want a copy of your DASS accommodation letter and /or documentation, you can obtain copies by logging into your DASS Link account and printing a copy while it is still active.

Also, if you are planning to continue your education at SMU for fall 2020, please contact our office and inform us of your plans. Your file will not be inactivated and that will avoid any interruption to you submitting a semester request for your accommodation letters next fall.
