DUES, FEES, AND EXPENSES

Policy Statement

Payment of dues and fees. A high percentage of the operational costs of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) is met by annual institutional dues. All member and candidate institutions shall pay dues and fees in accordance with those authorized by SACSCOC and approved by the College Delegate Assembly and the Commission’s Board of Trustees.

Statement of dues shall be issued by the Commission and shall be payable upon receipt of the Commission’s invoice by the member or candidate institution. The invoice is sent to the chief executive officer of the institution. Dues assessment information is not released about an institution without written permission by the institution’s chief executive officer.

Dues statements are mailed to institutions in April and are payable by June 30 but not later than July 31. When an institution fails to pay its dues by the designated deadline, the Commission will assume from this action that the institution no longer wants to maintain its membership or candidacy with the Commission on Colleges. By that action, the institution withdraws from membership or candidacy.

Travel expenses for evaluation committees of the Commission. Travel expenses relative to Commission staff and committee visits are borne by the institution being visited. The institution will be billed by the Southern Association of Colleges and Schools Commission on Colleges following the visit. Institutions being reviewed are responsible for covering the actual direct expenses of the evaluation committee. Direct expenses normally include travel, lodging, meals, and other related expenses. For general budgeting purposes, institutions may use a guideline of approximately $1,500 expenses per committee member; however, expenses vary considerably depending upon the site location(s), the number of committee members, etc. In certain cases a “flat fee” is used for administrative overhead rather than actual direct expenses. (See administrative fees for special and substantive change committee visits and for fifth-year reviews of off-campus instructional sites.)

Schedule of dues, fees, and expenses. A schedule of dues, fees, and expenses follows.

1. Membership and Candidate Dues
Candidate and member institutions are assessed annual dues beginning with the calendar year in which candidacy is awarded. Dues assessments for member and candidate institutions are based on the following formula:

\[ \text{Dues} = \text{Fixed Cost} + \text{Full-Time Enrollment Equivalent Variable} + \text{Educational & General Expenditure Variable} \]

If an institution’s E & G total does not exceed $4,000,000, then that institution’s dues amount includes only the fixed cost amount added to the full-time enrollment equivalent variable amount.
2. **Fees for review of Applicant Institutions**

Staff and Commission involvement with applicant institutions begin at the time an institution submits its application. To cover expenses associated with the review of the application, consultation with Commission staff, and the assembling of a Candidacy Committee, the Commission adopted the following application fee structure:

- **Pre-Applicant Institutional Effectiveness Workshop (registration fee and lunch per person)**: $250

For institutions seeking reaffirmation of accreditation, the following fees apply:

- **Leadership Team Orientation (registration fee and lunch per person)**: $150

(direct cost for each evaluator and for staff, travel, food, hotel, meeting rooms, and miscellaneous expenses)

The institution will be billed the total following the conclusion of the Committee’s evaluation activities.

4. **Fees and Expenses for a Substantive Change Review**

For institutions submitting an application/prospectus for substantive change and for expenses associated with substantive change committee visits that may be authorized, the following fees apply:

**Fees related to the review of an Application/Prospectus for Substantive Change**
