Dear Colleagues:

I appreciate and applaud the time and energy you have contributed to help make the fall semester as smooth and successful as possible. Thank you! We would like to give you an opportunity to provide feedback on your experiences at this mid-point of the semester. Participation is optional, and all responses will be anonymous and shared only at the aggregate level. Please provide your input by October 12th so that your feedback can help us identify successes and determine where we can make improvements as we adapt to the fall semester and plan for the spring semester ahead.

If you have any questions about the survey, please reach out directly to either Associate Provosts [Sheri Kunovich](#) or [Paige Ware](#). They will be working again with members of the Faculty Senate to analyze the results and share them with our community.

Thank you again and all the best,
