

## Approved for Faculty Searches in AY 2022-23

This list includes only decisions based on deans' requests for *expedited* review and approval for faculty searches. The full list of faculty position approvals will be made in the next 1-2 weeks and will be announced in the July Provost Update. Please note that all failed or postponed searches that were approved from last year, not included on this list of new approvals, are rolling forward as approved for searching this fall.
