"Hazing" means any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliated with, holding office in, or maintaining membership in any organization whose members are or include, students at an educational institution."  
-SMU Student Code of Conduct

Hazing has no place in the SMU community.

In order to uphold my commitment to the values of SMU including personal responsibility and sincere regard and respect for all SMU students, I pledge to:

- Recognize the physical and psychological harm caused by hazing.
- Not engage in acts of hazing.
- Report acts of hazing to SMU Police, Dean of Students, or any trusted staff or faculty member.
- Prevent acts of hazing whenever I can.
- Provide help to others who have experienced hazing.

As a student of SMU, I will uphold the values of the University and my organization and empower members to learn, grow, and develop without the harmful effects of hazing.
