

If you are a domestic student **enrolled in 1-8 credit hours**, then **NO WAIVER** is needed.

If you do **not** have health insurance and you are enrolled in one or more credit hours, then you have the option to **ENROLL** in the Student Health Plan and the semi-annual premium will be charged to your student account.

\*A domestic student is one who is a U.S. Citizen or holds a permanent resident card (green card).

**Enrollment Option: Students may elect to enroll in the SMU Student Health Plan.**

**To ENROLL (you wish to be enrolled in the SMU Student Health Plan):**

1. Go to My.SMU.edu
2. Select the Health Center Tile
3. Select the Mandatory Health Insurance button on the upper left hand side of the screen (this component will only be available once you are enrolled in classes for the current or upcoming term).
4. This will take you to the Waive/Elect waiver system.
5. Once on the waiver system you will be asked to provide:
  - Your date of birth in MMDDYYYY format (i.e. 01011990)
  - Your social security number (if available)
6. You will click on the green 'Enroll – Click Here' button. Since you are only enrolled in 1-8 credit hours, the Red Button will be on the screen, and will be labeled 'DO NOT USE'. Please select the green button only.
7. You will be prompted to confirm your selection and agree to the Terms and Conditions by entering your initials.
8. Once submitted, you will receive an on-screen confirmation advising you of your enrollment. The premium will be charged to your student account.
9. If you want to add dependents to your health coverage, or add dental coverage for the semester, you must go to the AHP website <https://smu.myahpcare.com/enrollment>.

Once you have successfully elected the student health insurance, you will receive an on-screen confirmation and an automated email confirming receipt of your request. **Please make sure you receive this submission confirmation email, and print it for your records.** For additional information or assistance, please contact Academic HealthPlans at 855-357-0242.
