Faculty-in-Residence Information

Support students by becoming a Faculty-in-Residence (FiR)! SMU faculty members are integrated into the 11 Residential Commons and work with Student Affairs staff and other faculty to facilitate student learning. FiRs provide both formal and informal resident-faculty interactions through educational programming, classes, individual and small-group advising, and casual association. These interactions provide students with opportunities to approach and relate to faculty members on a more personal level, learn about resources, and enhance their confidence and ability to interact with all faculty members.
