Veterans

The University Registrar’s Office certifies veterans each term for their benefits under federal programs, including the Yellow Ribbon Program. Most academic programs at SMU qualify for U.S. Department of Veterans Affairs benefits, making an SMU education accessible and affordable. Veterans are required to provide specific documents before they can be certified with the VA’s Veterans Benefits Administration. Specific information regarding the certification process is available from the University Registrar’s Office at www.smu.edu/enrollmentServices/Veterans.

The University complies with Title 38 United States Code Section 3679(e) which states that any individual who is entitled to educational assistance under chapter 31 (Vocational Rehabilitation and Employment) or chapter 33 (Post 9/11 GI Bill®) benefits will be permitted to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement (or “Statement of Benefits” obtained from the Department of Veterans Affairs’ website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) for said entitlement and ending on the earlier of the following dates: a) the date on which payment from VA is made to the institution; or b) 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility. SMU will not impose any penalties, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or require that a covered individual borrow additional funds to meet his/her financial obligation due to delayed disbursement funding from VA under chapter 31 or 33. However, if the anticipated funding from VA will not cover all tuition and fees, then the student is responsible for paying the difference immediately. Failure to do so may result in late or past due fees. Students who wish to be certified under chapter 31 or 33 must request in writing each semester that they wish to be certified and provide an updated statement of benefits. Additional documents are required to be submitted to the University upon initial request to be certified. See our website at www.smu.edu/enrollmentServices/veterans.
