Source: Fall 2001 - 2005 Census Headcount File

¹ Prior to Fall 2003 Students counted in Education were included in the Dedman counts

NOTE: There may be some differences in the number of degree seeking students reported since some students can be erolled in more than one program

and are only counted in one program for purposes of this report. For example Fall 2004 registrar reports show 6,082 degree seeking students verses the 6,090 shown here.
