

SMU Approved Casual Caterers

6/1/2026

Casual catering is defined as any catering that is not full-service or a mobile food unit/food truck. Examples include box lunches, grab and go spreads, non-service buffets, orders picked up or delivered from the vendor. For catering that requires full-service (ex. served buffets or plated meals), please see the Full-Service Catering list.

This list DOES NOT include food trucks associated with any named vendor. See link below for approved food trucks.

SMU requires all casual catering vendors to provide a valid Food Products Establishment Permit issued by the local government in which the vendor is located AND the most recent health inspection with a score of 90 or above.

The approved casual catering list is updated periodically and scores on all vendors are checked at least annually to ensure the minimum score of 90 is maintained.

Please contact purchasing@smu.edu with questions concerning this list or the approval process.
