heather.jorgensen@ey.com

Heather is an audit senior manager with eight years of public accounting experience. She has supervised and coordinated several engagement teams that were responsible for performing financial statement audits for both publicly and privately held companies, primarily in the Technology industry. Heather's experience includes assisting clients with complex accounting and financial reporting matters, including purchase accounting and revenue recognition issues under both US GAAP and IFRS.

Heather graduated summa cum laude from Southern Methodist University with an MSA and BBA in Accounting and a BA in Spanish. She is currently one of the firm's audit recruiting coordinators at Southern Methodist University.
