

22nd Symposium on Emerging Intellectual Property Issues

February 20, 2026

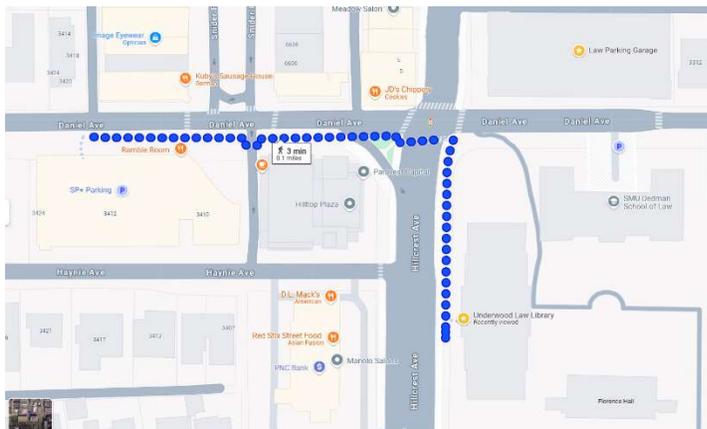

SMU Dedman School of Law

Parking Information

We will provide parking validation stickers for the **Hilltop Garage in Snider Plaza - 3421 Daniel Avenue, Dallas, TX 75205** (see map below). This parking garage is also a very short walk (1/10th of a mile, or a 3-minute walk) to Underwood Law Library.

If you park in the Hilltop Parking Garage, please request a parking validation sticker when you check in to the Symposium. This sticker will waive the parking fee for the garage.

If you have mobility issues that require accessible parking directly on campus, please contact Natalie Greco: natalieg@smu.edu.

Hilltop Parking Garage Instructions:

- Pull a ticket from the kiosk upon entering
- Once inside, proceed to the top floor (Level P3) of the garage
- Park in any available space (Numbers on the ground indicate total spots – they are NOT reserved)
- To exit the garage and access SMU’s campus, take the elevator or stairs down to Level 1, turn right, and head toward Hillcrest Ave.
- Keep your parking ticket. The validation sticker must be placed inside the box printed on the front of the ticket to exit
- **To Exit:** Scan the barcode at any of the three exit lanes (Daniel Ave or Haynie Ave exits are available)
- **Need Assistance?** Press the help button on the kiosk and an on-site Security officer will be happy to assist you
