Loretta O'Reilly Hawkins Award

The Loretta O'Reilly Hawkins Award was established to recognize and reward employees who represent the qualities and spirit of Loretta O'Reilly Hawkins, her love of SMU, her commitment to the community, and her high standards for work and life. Loretta O'Reilly Hawkins was a member of the university staff for 37 years, from 1924 to 1961, during which time she held various roles, including assistant to President C.C. Selecman and President Umphrey Lee. Her retirement in 1961 was announced in a lead editorial in the Dallas Morning News entitled "Loretta's Leaving."

Mrs. Hawkins was a single parent who was devoted to both SMU and her family, working tirelessly through the depression (and a 66% pay cut for staff employees) to better the university, while also taking on part-time and evening work to support her family. She had an excellent reputation in the community and high standards of accomplishment in work, family, and the art of living. This award was endowed by Mr. Dallas E. Hawkins II, to honor his mother and her life as well as to benefit the university to which she was so dedicated.
