## FALL 2025 Semester

### Tips for Fall 2025 Semester Enrollment

Undergraduate students must meet with an academic advisor BEFORE enrolling for the spring semester for assistance in planning and scheduling courses that will count towards graduation requirements.

Check my.SMU for your enrollment appointment time (Click on Student Dashboard, Enrollment (left-hand side), Enrollment Dates, Select Term) and any Holds or Tasks which need to be cleared prior to your enrollment. Check towards the end of March.

Make sure you have cleared any holds from your account and be aware that updates on accounts can take up to 24 hours. Plan ahead!

More information can be found on the [SMU Registrar website](#)
