Dear Domestic SMU Students,

On behalf of the Student Health Center, welcome to SMU!

For the 2024-2025 Academic Year, SMU has partnered with Academic HealthPlans, Inc. (AHP), a Risk Strategies Company and Blue Cross and Blue Shield of Texas to provide high-quality health insurance coverage for our students and their dependents. The University’s Student Health Insurance Plan (SHIP) provides coverage for accidents and sicknesses, hospitalizations, emergency room, wellness and other services. Your deductible will be waived for treatment at the Student Health Center. The plan also provides travel assistance services for medical evacuations and repatriation. To learn more, please visit smu.myahpcare.com and select “Benefits.”

SMU requires all Domestic students, both undergraduate and graduate, taking nine (9) or more credit hours to have health insurance through either an individual/family plan or the University offered plan. SMU’s mandatory policy requires those students with the enrollment status mentioned to provide documentation of current insurance coverage or to enroll in the Student Health Insurance Plan (SHIP) by the deadline date. Students only have to enroll or waive one time per school year. Students will do so, after they have enrolled for classes, by selecting the ‘Student Health Insurance’ tile in the ‘Student Center’ component of My.SMU.edu. Select “Mandatory Health Insurance” and enter your Date of Birth and Social Security Number. Select the Enroll button to enroll in the plan, or the Waive button to complete a waiver form (Documentation must be done in My.SMU.edu to be considered for a waiver. Any other documentation will not be accepted. (i.e. providing documentation on a Health History form, by fax, etc.)) You should enroll in the Plan after you have selected your classes and before the Fall waiver deadline.

For domestic students maintaining their own private coverage the student must waive SHIP coverage in order to avoid automatic enrollment into SHIP.

- Semi-annual premium charge of $2,010.00 applied to the student’s University account
- The deadline for Fall 2024 is September 7, 2024.
- The deadline for Spring 2025 is February 7, 2025 (New students only)

No reversals of premiums or changes to insurance can be made after the Fall deadline. Students will also be enrolled in the Spring semester if their Fall waiver is not approved.

For more information and instructions on how to WAIVE or ELECT coverage please visit smu.edu/healthinsurance.

The Student Health Center files claims for the Student Health Insurance Plan only. Students who have other insurance will be provided an itemized receipt upon request at the time of service so that they may file the visit with their insurance company on their own. This receipt is adequate to file with insurance companies for reimbursement.

Health insurance is separate from the student health center fees and is paid for independently.

After you have been enrolled in the Student Health Insurance Plan, you can register for and access your Insurance ID card at smu.myahpcare.com/additionalresources under Account Information.

If you have any questions, please contact the Insurance Office at the Student Health Center at studenthealthinsurance@smu.edu or (214) 768-3408.
Student Health Insurance Plan
for Southern Methodist University - Domestic Students

2024 – 2025
Welcome to AcademicBlue, your Student Health Insurance Plan offered by Blue Cross and Blue Shield of Texas (BCBSTX).

Who can enroll?

All domestic students taking nine (9) or more credit hours are required to maintain health insurance as a condition of enrollment. A domestic student may waive out of the policy by documenting current comparable U.S. insurance coverage in the Student Center component of MY.SMU.EDU before the deadline.

Domestic students not waiving are required to enroll in the Student Health Insurance Plan. Students only have to enroll or waive one time per school year. To complete the waiver or elect coverage, go to the Student Center component of MY.SMU.EDU. If you choose not to elect coverage, or do not waive coverage, by the waiver deadline, the premium will be charged to your SMU student account. No changes will be made to a student’s SMU account after September 7, 2024 for Fall 2024. For more detailed information, please visit smu.edu/healthinsurance.

Domestic Students taking between four and eight credit hours are eligible to enroll on a voluntary basis during the open enrollment period (prior to the waiver deadline) and have their premium billed to their SMU student account. Students taking eight (8) hours or less will not be automatically enrolled.

Eligible dependents of those enrolled in the plan may participate in the plan on a voluntary basis.
