FINALS AT DASS

If your professor wants you to test at DASS for finals, **LISTEN UP!** You need to schedule the final using our Online Scheduler as soon as possible. The deadline to schedule is **4/22/15**, but spots fill up before then, so don't wait. If you need to take the final at a different time than the class (only for valid reasons), you **MUST** get written permission from your professor and forward the email to **DASS**. We cross-check them all and could cancel your reservation if you haven't gotten permission. Please don't wait to tie up these details until the week of

finals, that causes lots of stress for you and others.

ACT NOW!

Want to serve on a campus committee and make a difference?

We are looking for student representatives to serve on the **President's Commission on the Needs of Persons with Disabilities**. This commission meets once a month, throughout the year, and is made up of faculty, staff and students from across campus offices and departments. We discuss issues related to disability that are affecting our campus and students. If you'd like to be considered for this, please contact **Alexa Taylor** alexat@smu.edu.
