COACHING Sessions

Are you or another family member helping take care of a child or an adult with health challenges? We're here to help!

During a coaching session, here are some questions you can ask about:

- ♥ Finding the right doctors
- ♥ Finding the right care provider (Behavioral Health, SNF, AL, etc)
- ♥ Filling out legal documents (Wills, POAs, DNRs, etc.)
- ♥ Managing family dynamics
- ♥ Medicare, CHIP, VA, etc.
- ♥ How to set up a case with your free caregiver support benefit!
- ♥ How to pay for care
- ♥ And more!

A Care Coach will call you at the time you choose!
