- 90** International students come from more than 100 countries, led by China, Mexico, Honduras, Vietnam and India
- 237** SMU's campus includes 101 buildings on 237 acres, five miles from Downtown Dallas

DALLAS' INTERNATIONAL APPEAL

- 2** Dallas is home to the 2nd most Fortune 500 companies in the country, including Texas Instruments, AT&T, American Airlines, and Exxon Mobil
- 1** Dallas is ranked #1 by Forbes as the best city for good jobs

COME HERE, GO ANYWHERE

The 4th largest metropolitan area in the United States, Dallas is served by D/FW International Airport, the 2nd largest airport in the country. With more than 200 non-stop destinations (55 international), Dallas is a short trip from a world of possibilities.

Dallas is home to the nation's largest urban arts district, five professional sports teams, including the Dallas Mavericks - ranked by Forbes as the 8th most valuable basketball franchise in the country - and many unique entertainment districts.

A private, nationally-ranked university located near the heart of Dallas, Texas, SMU offers academic rigor and real-world preparation for success through programs in business, engineering, sciences, communications, humanities, performing and visual arts, and education and human development. One of fewer than 100 institutions classified as having "high research activity" by the Carnegie Foundation, SMU's intellectual environment drives cutting-edge research with far-reaching benefits for our world.

- In the Lyle School of Engineering, students and faculty work together in the Darwin Deason Institute for Cyber Security to solve real-world problems. smu.edu/lyle
- At the Kitt Investing and Trading Center, students from the Cox School of Business, ranked 30th in the nation by Bloomberg Businessweek, invest a portfolio valued at more than \$3 million USD. smu.edu/cox
- SMU scientists and students in the Dedman College of Humanities and Sciences recently identified a geological fault causing earthquakes in the central United States using monitors supplied by the U.S. Geological Survey. smu.edu/dedman
- The Meadows School of the Arts is one of the foremost arts education institutions in the U.S., offering instruction in visual, performing and communication arts, including interdisciplinary programs such as creative computing. smu.edu/meadows

SMU
