2014 - 2015 EARLY DECISION PLAN AGREEMENT

Early Decision is a binding agreement for students who have identified SMU as their top college choice. Students may apply for Regular Decision at other universities, but may only have one Early Decision application pending at any time. If admitted, students must enroll in SMU and withdraw all other applications, provided they are offered sufficient financial assistance, if required. Students may submit an application at any time after completion of the junior year and no later than November 1 for Early Decision I, or no later than January 15 for Early Decision II. A non-refundable deposit is due by the date stated in the student's admission letter.
