The DCII welcomes proposals for support from the Scott-Hawkins lecture fund. The DCII is particularly interested in proposals for speakers or events that can appeal to a broad interdisciplinary audience of students and faculty. As in the past we expect that applicants will seek other sources of funding to match the amount requested from the Scott Hawkins fund.

There will be two deadlines for proposals: April 1 for events in the following fall or following academic year; and October 1 for events in the following spring (depending on remaining funds).

Completed applications should be sent to Caroline Brettell at cbrettel@smu.edu.
