

INSTRUCTIONS:

1. When changing degree programs, a student is applying to the new degree program through the Perkins Admissions Office after one semester in current degree program.
2. Complete this form and return it to the Admissions Office along with a current SMU Perkins transcript, a recommendation letter from your faculty advisor or a faculty member and that faculty person's signature below.
3. Please note: Changing degree programs may sometimes have an impact on financial aid , scholarships, tuition benefits, and other financial resources. Therefore, a conversation with the Director of Student Services is strongly suggested, and a signature of approval is required.

Date: ____/____/____
