

# DART Pass Information

SMU participates in a DART Higher Education Pass Program and all currently enrolled students are eligible to receive an annual DART transit pass through the Parking and ID Card Services Office.

**Please note: New students must wait 24 hours after enrollment for classes to be eligible for the DART transit pass.**

**Orders cannot be processed without a current photo on your ID card account prior to ordering your DART transit pass card or the GoPass Phone App.**

**Student DART transit pass cards and GoPass orders take approximately 3-4 weeks. You will receive an email from our department when the card is ready for pick up in our office. If you order a GoPass you will receive an email with activation instructions from DART. Be sure not to change phones or phone numbers after ordering your GoPass. Please make sure your DART email does not get caught in your spam mail.**

Currently enrolled SMU students can request their annual DART GoPass Phone App or Hard Card Pass by completing the [Student DART Request Form](#) online. As long as you renew in consecutive years there is no renewal fee. If not renewing in consecutive year the 5.00 fee applies. Lost card or phone fees however do apply at DART replacement rates.

Current full-time benefits eligible SMU employees, part-time/temporary employees, adjuncts and **eligible** contract service providers can request their annual GoPass Phone App or Hard Card Pass by completing the [Employee Form](#) online. *Employee DART orders are placed once a month with DART. Please allow time for completion. You will be contacted when the order is ready.*

**Only one type of DART transit pass can be requested. Duplicate orders will not be processed.**
