I, \_\_\_\_\_, have provided accurate information above and provided a copy of my insurance card that is currently effective. I have been accepted to Southern Methodist University and plan to attend SMU as a full time student in the Fall AND Spring semesters. I understand that if I am selected as a member of the SMU Cheerleading squad I will have many commitments I have to fulfill. These activities will take time, but my academics will always come first. I understand that I am an ambassador for the University at all times and will maintain a respectful reputation that reflects positively on the program and my teammates. I understand that if I do not attend my classes my position on the cheerleading squad will be in jeopardy. I understand that I am required to attend the following if I am selected for the team: summer practices, a designated number of summer camp appearances, NCA Summer camp, all home football games, many away football games, bowl games, pep rallies, women's and men's basketball games, volleyball games, soccer games, tournament games, alumni functions, and other appearances needed for the University. With the exception of my education, my commitment to the SMU Cheer squad takes first priority. I understand that I am allowed to participate in other organizations or events, but I will not be excused from cheerleading for these events.
